Mentor Log

Date	Hours	Description of Work Completed
1/15/2017	1.5	12:00pm-1:00pm Went over mentor handbook and discussed my Original Work and possible Final Product. (100 Paintings in 10 days)
1/23/2017	2.5	3:00pm-5:30pm Attended one of my Mentor's classes. We set up canvas and discussed the difference between oil and acrylic paint
2/6/2017	3	3:00pm-6:00pm Attended one of my Mentor's classes. Ms. Vernon taught me a new way to paint that is more efficient and, honestly, fun.
2/9/2017	2.5	3:00pm-6:00pm Attended one of my Mentor's classes. We discussed my final Product and worked on setting up for critiques. We also continued painting with the new method. I feel like it is a step on the right direction.
2/20/2017	3	3:00pm-6:00pm Attended one of my Mentor's classes. Ms. Vernon taught the class how to paint value with only two colors. I also breifly talked to another professor.
3/6/2017	2.5	3:00pm-5:30pm We painted two paintings of the same plaster face. One in the venitian style and the other with the florentine style.
3/20/2017	2	3:40pm- 5:30pm The class had a midterm critique, and I talked to Ms. Vernon about different shows to apply towards.
4/3/2017	2	4:00pm -6:00pm I began work on a 24" x 30" painting. We discussed my product and the final presentation night. I also found out that one of the photos I took of my mentor ended up in Patron Magazine.
